

AEC Graduate Student Seminar

Alessandro Mariani
Vortices in a quantum field theory

Marc Persoz
**A neutron grating interferometer for the
measurement of the neutron electric charge**

Jakub Salko
**Chasing new physics in high-mass
Drell-Yan tails**

Livio Calivers
**Detector development and prototyping for the
DUNE Liquid Argon Near Detector**

April 27, 2022

14:15-16:30
